

# Ideas to improve SAR Referral Template

18.04.2018

## **Additional questions you would like included on a form/template for a SAR referral.**

- Is this a multi-agency or single agency issue?
- Was appropriate consideration given to the person's capacity and if so how was this carried out?
- Summary of safeguarding case conference and outcome recommendations:
- What should have happened? What action/lack of action by the stakeholders involved contributed to the death or harm of the adult at risk?
- What is the learning issue in this situation and has it been addressed?
