

NW ADASS BRANCH

NW ADASS EXECUTIVE BOARD

- To influence relevant national policy
- To develop new strategic relationships and partnerships
- To consistently develop the culture for constructive challenge and support
- Support and sustain effective communication specifically with NW Directors of Adult Services
- A point of engagement with ADASS Executive and other key bodies (LGA and DH)
- A point of engagement for engaging key partners within the region and nationally
- Support the delivery of NW ADASS Executive Board on the agreed annual programme of work

- Make strategic decision collectively on sub-regional and regional programmes of work, maintain oversight of all regional funding.
- Commission the NW ADASS SLI Board to shape and deliver a comprehensive SLI Programme and agree the SLI Strategy for the region
- Help sustain effective communications across the region, sharing issues and concerns as well as good practice and innovation
- Agree and oversee an annual Work Programme for NW ADASS
- Work with the NW ADASS Workstreams to assist the development of thematic work plans and receive regular reports on progress
- Report to the ADASS Executive when appropriate and respond to national and regional consultation exercises

NW ADASS SLI BOARD

- To develop, deliver and shape a comprehensive SLI Programme and agree the SLI Strategy on behalf of the Executive Board.
- Work with the Executive Board to identify risks and issues in the regulated sector that requires a regional response.
- To develop and embed a culture of support and challenge amongst peers.
- To produce and regularly update the NW ADASS Balanced Scorecard
- To continually evidence the impact of the SLI Programme
